Alexander, J., Schapiro, A., Siefert, E. (August, 2021) *Using Targeted Memory Reactivation to Determine Preferential Consolidation of Unique vs Shared Information*. Summer Undergraduate Internship Program Conference at the University of Pennsylvania.

LEADERSHIP

President, Society for Quantitative Approaches to Social Research, Columbia University
Oct 2024 - May 2025

- Coordinated and supervised the operations of the executive board
- Decided what events to host to build a sense of community and advance the implementation of quantitative methods in social research.
- Reinstated the club as an organization and secured us funding for subsequent semesters.

Co-Head, Psychology Peer Mentor Program, Lafayette College *Aug 2020 - May 2023*

- Coordinated and supervised the progress of 20 senior and junior psychology majors to ensure that they were fulfilling their duties as mentors to first-year and sophomore students interested in majoring in psychology.
- Planned meetings and facilitated communication between the 40 mentees, the 20 mentors, and the faculty involved in the program.

Executive Board, McKelvy Scholar House, Lafayette College *Sep 2022 - May 2023*

- Coordinated, planned, and created interactive social media content to highlight scholars and activities done within the program.

President, Speech & Debate, Lafayette College *Aug 2020 - Aug 2022*

- Mentored new students on book work, speech construction, and tournament readiness.
- Coordinated social events and community service projects while simultaneously managing the team's social media to update the community on our placements each tournament.

Contributing Writer, Lafayette Newspaper, Lafayette College *Aug 2019 - Aug 2022*

- Scheduled interviews and wrote informative pieces about whatever topic was assigned each week.
- Click [here](#) for a piece I wrote on ableism at my college.

Secretary, Lafayette Leaders, Lafayette College *Aug 2021 - May 2022*

- Managed budget expenditures and communication with student government to fulfill the club's needs.
- Required to be present at meetings and create a welcoming environment for minority students in STEM fields.

Equity & Inclusion, Student Government, Lafayette College *Jun 2020 - Jun 2021*

- Held weekly meetings to discuss the current climate at Lafayette College regarding accessibility and representation.
- Worked with The Queer Archives Project to host talks and events in celebration of Queer history, the Mental Health Initiative to spread awareness about the importance of mental health and the resources available on campus for students, and helped establish the UndocuFund with Flor Caceres '22 to provide local undocumented highschool students with a scholarship opportunity.

RESEARCH

Honors Thesis Student, Bias Lab, Lafayette College *Aug 2022 - May 2023*

Advised by Dr. Angela Bell, Department of Psychology

- Following an extensive review of the literature, proposed a study to determine the connection between social dominance orientation and other self-other comparisons within members of Greek life organizations.
- Collected, cleaned, and analyzed data on over 100 participants through the use of JASP, Excel, and Qualtrics.

Summer Intern, Infant & Child Lab, Temple University *Jun - Aug 2022*

- Conducted literature reviews on the pedagogy of playful learning.
- Collected data on play-streets to determine the role that play has on learning, specifically how it can be used to foster learning within low-income communities.

Research Assistant, Bias Lab, Lafayette College *Aug 2021 - May 2022*

- Reviewed literature on stereotype threat and other relevant social psychology theories.
- Assisted in data collection and analysis for a large scale replication study of Steele and Aronson's (1995) stereotype threat.

Neuro Independent Researcher, Stawicki Lab, Lafayette College *Aug - Dec 2021*

- Tasked with proposing a plausible solution for deafness caused by ototoxicity (ear poisoning).
- Created a literature review that focused on Reduced Oxygen Species and how antioxidants and Zinc could be used to mitigate the impacts of heavy metal toxicity.

Summer Research Intern (SUIP), University of Pennsylvania *Jun - Aug 2021*

- Researched the way that memory consolidation could be manipulated during sleep through the use of sensory stimuli, while measuring brain activity with an EEG.
- Learned about R and how to code experiments for computational cognitive psychology and neuroscience while coordinating the recruitment of participants.

TEACHING

College Advisor, AmeriCorps, UNC-Chapel Hill *Jul 2023 - Jun 2024*

- Assisted over 200 seniors through the daunting college application process by conducting over 600 1-on-1 meetings.
- Meticulously tracked FAFSA submissions and the status of college applications to meet the goals imposed on me.
- Hosted several events and presentations providing parents, guardians, teachers, and students with essential information while applying to college.
- Compiled a list of over 200 scholarships for students.

Psych 110 Lab Assistant, Lafayette College *Aug 2022 - May 2023*

- Attended weekly lab meetings, graded lab assignments, and provided feedback on the presentations and lab reports of 20 students each semester.
- Held office hours to help students prepare for quizzes and provide them with general guidance on their projects.

Physiology II Lab Assistant, Lafayette College *Aug 2022 - Dec 2022*

- Assisted with the development of lab procedures; expected to create measures and procure stimuli for EEG, GSR, and other biofeedback devices.
- Nurtured, trained, and did surgery on rats to assess the biological components of memory.

Tutor, America Reads, Lafayette College *Sep 2019 - Dec 2021*

- Worked in classrooms and libraries to assist teachers with their lesson plans.
- Depending on the student, I was expected to provide them with adequate feedback and assistance to best help them meet teachers' expectations.

Conversation Partner, Lafayette College *Aug 2020 - May 2021*

- Tutored college students in introductory Spanish classes, and assisted with pronunciation and conversational Spanish while ensuring each of 20 students met with me for 3 hours.
- Created presentations with educational content that matched what they were currently learning in class.

Teaching Fellow, Breakthrough, University of Texas *Jun 2020 - Aug 2020*

- Managed an online classroom of rising 9th graders, five days a week, eight hours each day.
- Created a curriculum to teach kids the foundations of psychology.

COMMUNITY SERVICE

Orange County Democratic Party

Aug 2023 - Jan 2024

- Informed people about the importance of exercising their right to vote and provided them with the adequate information and resources to register to vote.
- Assisted in registering a total of 10 voters per week, while also helping coordinate high school outreach events and spearheading their data collection efforts.

FAB Philly Youth

Jun - Aug 2022

- Over the course of 9 weeks, volunteered a total of 50 hours.
- Provided meals, educational and social support to children from low socioeconomic background in Philadelphia.

Birthday Fundraisers

Jun 2020, 2021, 2022

- Created and ran fundraisers in support of organizations providing crucial resources and services during the week of my birthday.
- Raised a total of \$5,500 for Food Bank NYC, The Bethesda Project, and The Brigid Alliance, each aiming to address food insecurity, homelessness, and expanding access to reproductive rights, respectively.

Joseph H. Firth Youth Center

Aug 2019 - Mar 2020

- Attended a Youth Center weekly to keep children company, play sports with them, and assist them with homework if necessary.
- Each visit was roughly two hours and there were typically only five volunteers present for 30 children.
